

MAT 300 Homework Guidelines and Rubric

This rubric is for grading student work related to problems found in math and/or quantitative courses.

Homework Rubric

Criteria	Exemplary (100%)	Proficient (86%)	Needs Improvement (55%)	Not Evident (0%)	Value
Computation	Almost all of the problems are computed correctly	Most of the problems are computed correctly	Some of the problems are computed correctly	Very few of the problems are computed correctly	40
Application of Tools	Uses the best and/or required procedures/ formulas/tools to solve almost all of the problems	Uses satisfactory and/or required procedures/ formulas/tools to solve most of the problem	Uses satisfactory and/or required procedures/ formulas/tools to solve some of the problems	Does not use satisfactory or required procedures/ formulas/tools to solve the problems	40
Quantitative Literacy	Effectively works with numerical data and solves quantitative problems from a wide array of authentic contexts in everyday life	Works with numerical data and solves quantitative problems from a wide array of authentic contexts with moderate effectiveness	Works with numerical data and solves quantitative problems with minimal effectiveness	Is not able to work with numerical data and solve quantitative problems	20
Total:					100%
